

# Logistics

The following audio/visual and staging requests are designed to enhance the audience's enjoyment of Patrick's program. The best speech can be undermined by equipment or room setup problems, so please discuss any changes in the room and audio/visual setup with us beforehand.

**Microphone:** Wireless Handheld Preferred or a regular ground mic with at least 50' of cord

**Audio:** Patrick uses a variety of music for his keynote presentations.

***Patrick will require a portable PA system compatible with RCA Adapter Cables set up in the area of the assembly approximately 40'-50' away from the audience.***

**Lighting:** A bright, well-lighted platform will enhance the energy level for the event.

**Flooring:** Break dancing is an extreme dance form that is beautiful to watch provided adequate space is provided. Please ensure that the floor is free of debris (a good sweeping always does the trick), and the dimensions are at least 16' x 16'. **Carpet and concrete are not favorable locations!** Non-slippery floors strongly encouraged.

**Audience set-up:** If the assembly is to be held in the gymnasium please keep all students to one side of the gym and together. Teachers must sit with the students (it cuts down on mischievous behavior).

**Recording:** Audio/video taping is encouraged with Patrick's PRIOR WRITTEN AUTHORIZATION. If you're interested in taping Patrick's presentation, please contact Patrick at 512-796-4392 or through the "Contact" page

**Volunteers:** Each program will entail the use of several volunteers from the audience. It is up to the client's discretion whether or not volunteers are to be

pre-selected. Experience has shown that the more outgoing and lively the volunteers are the better the audience's response.

**Water:** A dry mouth is a speaker's worst enemy. Help fight the war on dry mouth by providing Patrick with 2 bottles of room temperature water.

**Resource table:** Following each assembly Patrick will have resources (books, posters, etc) available that can be of value to your students and teachers. Please allow for a 5'x8' to be used for these resources.

## **Introduction for Patrick Perez (Animated/Excited)**

So you think you can dance? Do you have talent? Well, our speaker for today sure hopes so. Patrick "B-Boy Pac Man" Perez joins us today from El Paso, TX. He has danced to over ¼ million people over the last 10 years .He is the 2006 El Paso Young Entrepreneur of the Year and he has a Bachelor of Arts Degree in Communication Studies from the University of Texas at El Paso. Let's get ready to kick it old school- please help me welcome MR. PATRICK PEREZ!!

\*This may be formatted to your liking

## **Outro for Patrick Perez**

Patrick will return control of the stage to the appropriate figure. Please let students know that Patrick has free postcards available with his website and Myspace information on it-Patrick needs more friends!

**Patrick has posters and additional products for sale at his resource table.**

[Note: Patrick will arrive 30-45 minutes prior to the scheduled assembly time.](#)
